

Turkey Pesto Roll-Ups

Category: Gigi is cooking

4 pieces sliced deli turkey

2 T. prepared pesto - in refrigerated fresh pasta section of grocery.

4 mozzarella cheese sticks

4 flour tortillas, fajita size

Spread the pesto onto the tortilla, lay 1 piece of turkey down, place 1 cheese stick in the middle and roll up.

Cut in half and serve.

This is way too easy but is a hit as a break from sandwiches.
